Hello Planning Department,

Amy Thornton (cabthor@aol.com) has sent you a message via your contact form (<https://www.grafton-ma.gov/user/14766/contact>) at Town of Grafton MA.

If you don't want to receive such e-mails, you can change your settings at <https://www.grafton-ma.gov/user/14766/edit>.

Message:

Good morning.

I tried to attach these in the comments section for this project, but was unable.

Please put these pictures, along with my comment, into official public record.

Attached are pictures taken on Friday, January 14th. It shows traffic in front of my house, which is Worcester Street directly across from the proposed distribution center.

The traffic shows a backup that lasted approximately 15-20 minutes. This happens on any random day and is something that - unless you were stuck in it - the rest of the town doesn't see.

For about 20 minutes of this backup, if the distribution center is in operation, approximately every 6 minutes a new truck would be coming/going. In addition of the already bumper to bumper traffic, 3-4 tractor trailers would be added. I wanted to show what traffic is (once again) actually like on Worcester Street. Adding the distribution center would be, in my opinion, a grave mistake.
